PRICE LIST no. 48 / 2026 – 09.5

Obstetrics and perinatology

The calculation of paid services was performed for the Clinic of gynecology-obstetrics and neonatology. Each patient must first be acquainted with the price and then a document must be issued for them, stating the price and type of procedure which will be performed. The payment for the procedure must be made at the cashier's office of The University Hospital Brno.
